Questions: What Do You think?

- Do you have interests which are important to you?
- Do you make choices based on your interests or what is important to you?
- Do you know how and when to call 911 for an emergency? Give an example.
- Do you have and use an e-mail address to communicate with people you know ?
- How you do ask for directions?
- Do you obtain or use your own calendar everyday?

- If you need help when you are in the community, who can you ask?
- Do you know how to treat a friend? What are some ways to treat friends?
- Do you know if you have health insurance? And who is your primary doctor?
- Do you have allergies? If yes, can you name the allergens and do you avoid them to the extent possible?
- What do you have to do to get your drivers license?
